- **FINE FINISH SOFT SPRAY**
- **1800 PSI WORKING PRESSURE**
- **STAINLESS STEEL FLUID PASSAGES**

C.A.Technologies introduces the latest addition to the CAT gun line - the BOBCAT Air Assist Airless gun designed for production wood and metal finishing. Features include lightweight design, stainless steel fluid passages and an integrated fluid filter. The handle is ergonomically designed to reduce fatigue and fit comfortably in any size hand. The trigger pull has been designed to be ultra light resulting in less muscle strain and operator fatigue. An innovative trigger safety has also been integrated into the gun to provide optimum safety. The BOBCAT's superior atomization is achieved with the precise geometry of the airless tip and HVLP air cap, giving you the finest finish possible.

C.A.Technologies is now offering a new lightweight and flexible fluid hose. The hose is 1/8" in diameter and will be standard with all BOBCAT wall mount and cart mount outfits.
